

Dear Staff Colleagues,

The central workshop IITH is organising a skill development program for the IITH staff. The program is scheduled as follows.

**Training on: Lathe**

**Total Duration: 22nd July to 26th July 2024**

**Training: 22nd July to 25th July**

**Qualifying Test: 26th July**

A certificate of competency will be issued after the qualifying test, which will help the staff to work independently in the trained machine at the central workshop to meet the needs of their department/centres.

Interested staff may fill out the following Google form to register for the program before **7th July at 11:59 PM**.

<https://forms.gle/uxezLRTab7x4mBK98>

Head of the departments/faculty members may encourage their technical staff for this skill development program.

No registration/application fees are applicable.
